Dear Ms Mackie

I am sorry you were unable to accept my phone call this morning on the telephone clinic. . I had been calling you because you were due to return to the Women's Day Clinic for review but have cancelled 2 appointments and defaulted from a further appointment. We would like to keep an eye on your skin condition but understand it is difficult for you to attend the Clinic.

We won't arrange to send you any further appointments to the HRA Clinic but if you feel that you would be able to attend clinic at Dr Gray's Hospital in Elgin or at Foresterhill then please get in touch at the phone number above and we will arrange to make a new appointment for you.

Yours sincerely
