Here is your Annual Statement. It gives you a simple breakdown of all of the activity on your account for the period set out below. It shows how much you have spent on your card, how much interest you have been charged during this period and any fees or charges that you've incurred. It also shows how much you have paid. Please keep it safe for future reference.

We will send you an Annual Statement on every anniversary of your account. Turn over for more information.

Below is a summary of how you have used your Vanquis Visa Card between:

20 March 2025 and 19 March 2026

Vanquis app – Pay by debit card	2 working days	Log on to the Vanquis app with your fingerprint, face recognition or passcode and tap **'Payments', 'Make a one-off payment'**, then **'Pay by debit card'**.
Direct Debit	Taken on your payment due date	You can set up a monthly Direct Debit for the minimum payment due, a fixed amount or percentage of the statement balance or the full outstanding balance. The easiest way to set up a Direct Debit is in the Vanquis app or by calling us on 0330 099 3000*. **Fixed percentage or fixed amount Direct Debit** If you choose a fixed amount, the Direct Debit amount will automatically adjust if it isn't enough to cover at least the minimum payment. If your statement balance is lower than your fixed amount we'll only take the balance on your statement to avoid your account going into credit.
Continuous payment authority (CPA)	Taken on the payment date as set by you, at the frequency you choose	You can set the amount you want us to take from your bank account as a fixed amount, a variable amount, or a combination of the two. Call us on 0330 099 3000* to arrange.
One-off debit card payments	2 working days	Call us on 0330 099 3000* and select option 1, then option 3 to make a one-off payment using a debit card.
Standing order	2 working days	When setting up a standing order with your bank, please quote your 16-digit credit card number starting 4023 with no spaces or dashes as the reference.
