Your energy prices are changing in July

Hello Thomas Harper,

The energy price cap set by the energy regulator, Ofgem, is changing on 1 July. Here's what this means for you.

Your current costs

£935.65

Your new costs

£1033.35

Your estimated annual change

£97.70

If you have a smart meter your prices will update automatically on 1 July.

If you have a traditional meter your prices will update when you top up from 1 July.

You can find out more about these changes at ovoenergy.com/pricecap

If you need financial support, we're here to help
