Keep this letter as evidence of your award

Adult Disability Payment

Dear ANDREW,

Thank you for sending us the information we requested. We have completed our review.

This letter together with the enclosed Decision Report is your Notice of Determination. It tells you what you've been awarded and why. The determination has been made based on your application and the supporting information provided during your review.

You have been awarded:

- Enhanced rate Daily Living component at £110.40 a week
- Enhanced rate Mobility component at £77.05 a week

This means we will be paying a total of £749.80 every 4 weeks (£187.45 a week).

About your award

We will pay £749.80 into the bank account you have chosen every 4 weeks on a Wednesday beginning 23 December 2025. This payment will always be for the last 4 week period.

Dignity, fairness, respect.

If your normal payment day is a bank holiday, then you will be paid on the previous working day.

We will also calculate if we owe you any backdated payments of Adult Disability Payment as a result of our review decision. If we do owe you backdated payments we will pay these into the same account as your regular payments.

Your award will be reviewed

Your award starts on 1 December 2025 and your needs will be reviewed on 1 December 2030. We explain why and how we will review your needs further on in the decision report.
