Good morning Sam,

Thank you for your email and apologies for the delayed reply.

To confirm we have received these documents for Maureen Hill and have uploaded them to her record.

I note that Maureen has no terminal illness and no relevant serious convictions.

We are currently allocating applications received in March 2025 to caseworkers and Maureen's application was received in October 2025. Once a caseworker has been assigned, they will review all information and documentation held on file to determine whether any further information is required. If the application is ready to progress, it will then be submitted for quality assurance before being referred to Redress Scotland for consideration.

If you have any questions please let me know.

Kind Regards,

Scotland's Redress Scheme
