Dear Redress Scotland Team,

Further to our initial submission on **07/11/25** please find attached the pro forma and final components of the Redress Scotland application case number **APP399642** , on behalf of a survivor of historical abuse in care.

Applicant Details:  
**NAME: John Houton**  
**DOB: 24/08/1976**

We can confirm our client does not have a terminal illness and has no relevant previous criminal convictions. You will note that the certified documents are signed by Matthew Reynard.

I am still waiting for DSAR responses from NHS Dumfries and Galloway and Dumfries and Galloway council. Once received I will send over an updated proforma and any relevant evidence.

**Evidence files**

Document 5 “DSAR evidence combined Barnardo’s care records” which contains evidence for this application is too large to be sent over email. I have therefore uploaded these files to the online Redress Portal.

Please confirm whether the documents provided can now be presented to the panel for consideration. Should you require any clarification, or additional documentation at this stage, please don’t hesitate to let us know.

Kind regards,  
Sam Morris
