Notification of Council Tax Reduction Decision

I have worked out your council tax reduction again from 13/07/2026 because you have had a change to your DWP income. However this has not changed your reduction amount, which remains as follows:

CTS

£23.19 per week from 13/07/2026

Council tax reduction for 2026/27 has not changed. The total amount of council tax reduction for that year is £1,209.10. Please refer to your most recent Council Tax Bill for your monthly installment amount.

What to do now

Details of the information you have given me and how your benefit has been worked out are shown on the following pages. Details are also given of what you should do if you disagree with my decision. You should read this letter very carefully. It is especially important that you check through the pages marked "please read this page carefully".

Please note that if you are in receipt of Universal Credit, your Council Tax Reduction (CTR) has been calculated automatically based on this award. If you do not wish to receive this reduction, please notify us immediately.

Universal Credit

Please note: You cannot ask the Council to change the amount that is called your Universal Credit income as this has been worked out by the Department of Work and Pensions. If you disagree with this amount, you must contact the DWP on 0845 600 0723 or 0345 600 0723
