Dear Jennifer,

We are Aiker Legal Ltd, a registered law firm with Redress Scotland. **Antoni Marton** has shared your details with us as you have very kindly agreed to provide a supporting statement for their Scottish redress application. We very much appreciate your support with this.

We've enclosed a copy of the supporting statement form if you could please complete **from Section B onwards** then send it back to us. Please let us know if you would like any support with the form, or if you would prefer an electronic version.

If completing the form yourself isn't convenient, and you would prefer us to call you instead, we're very happy to do that. Just let us know a convenient day and time that suits you, and we'll give you a call.

Because the Redress Scotland application process has time limits, it would really help if you could return the form, or contact us, within the next few working days so we can avoid any delays in submitting the application for review.

You can reach us by phone on 0203 004 6549, send a WhatsApp/text message to 07984 815011 (please note we are unable to accept calls on this number), or via email at support@aikerlegal.org Please save our telephone numbers into your phone contacts so you 'll know it's us if we call.

Warm regards,

Sam Morris
