

SUPPORT STATEMENT

SECTION A — SURVIVOR DETAILS

Survivor Name: William Foley

Date of Birth: 10/08/1961

SECTION B — Supporting Person Details

Name: Lorraine Foley

Relationship to Survivor: Wife for 30 years.

Purpose of This Statement

I am providing this statement in support of the above survivors Redress Scotland application. I know them personally and wish to offer information about their experiences they shared with me, and the impact this has had on their life.

What the Survivor shared with me

William broke down about 15 years ago and told me he had been sexually and physically abused whilst he was in care.

William is a very deep person, and it took a lot for him to tell me this, he told me he got abused by a priest.

We were watching tv, when William broke down and he told me that the brother used to watch him when he was in the shower. He also told me he used to punch and kick him too. It was a miserable, awful time in his life.

Impact to the Survivor that I have observed

All this time William won't undress in front of me, and we have been married 30 years. He also wakes up at 3am every night because he has disturbing dreams.

Supporting Statement Declaration

I offer this statement to support the named survivor's application. Everything I have written is true and accurate to the best of my knowledge and belief. It reflects what I

was personally told by the survivor, and what I have personally observed during the time I have known them.
