Your statement for additional care settings

In Part 1, you will have already provided information about the care settings you were abused in. By providing this information here, your case worker can join together the name of the care setting with your statement of abuse.

Q1 | What is the name or location of the relevant care setting you were abused in?

(For example, the name of the care home, or the city or region where you lived in foster care or while boarded out).

Martha Frew Children's Home

Do not worry if you are uncertain about dates or time. Please provide your best estimate.

Q2 | When were you abused?

For example: a single date, an age, or an approximate time or time range.

1963

You do not have to provide names, if you cannot remember or do not feel comfortable doing so. If you do provide a name it will be passed to Police Scotland.

Q3 | Who was involved in your abuse?

For example: a member of staff, a peer or someone outside the care setting.

The information you provide will be used by Redress Scotland to make a decision about your application. Redress Scotland will use the "Assessment framework" to help them do this, available on [gov.scot](https://www.gov.scot). Please be aware that it contains graphic descriptions of abuse.

Q4 | On the next page, please provide as much information as you can about:

- the abuse you experienced while living in this care setting
- what life was like for you during this time
- how the people responsible for your care and welfare failed to carry out that duty (within or beyond your care setting)

You can continue on additional pages if you need to.

Part 2 of the application form provides more information about what you may want to include.

Your statement for additional care settings

I was around 4 years old when I was placed here. I was placed here with my brothers and sisters. Unfortunately we weren't in the same rooms as I was a little older than them. When they were in my dorm, I used to barricade us in the room so we were never separated but I was told off a few times for this.

I was also scared here because there was a girl here who was placed in my room who has burn scars and it really scared me.

The punishment with food would be if you didn't eat your breakfast you'd get it for your lunch and if you didn't eat your lunch you'd get it for your tea. This to me was wrong giving 2nd hand food back to us. I felt we were neglected with that.

There was also a punishment which was "the slipper" fortunately I was never taken away for that but god knows what that was or would have been, it didn't sound nice at all.

In terms of clothing, I never had clothes brought to me by my mum or dad which resulted in a big accessible wardrobe which clothes were given to us not by choice and we had to accept whatever was given. There was the odd time I was able to choose what I'd like to wear.
