Your statement for additional care settings

In Part 1, you will have already provided information about the care settings you were abused in. By providing this information here, your case worker can join together the name of the care setting with your statement of abuse.

Q1 | What is the name or location of the relevant care setting you were abused in?

(For example, the name of the care home, or the city or region where you lived in foster care or while boarded out).

Cartvale School (Glasgow)

Do not worry if you are uncertain about dates or time. Please provide your best estimate.

Q2 | When were you abused?

For example: a single date, an age, or an approximate time or time range.

2002-2004

You do not have to provide names, if you cannot remember or do not feel comfortable doing so. If you do provide a name it will be passed to Police Scotland.

Q3 | Who was involved in your abuse?

For example: a member of staff, a peer or someone outside the care setting.

The information you provide will be used by Redress Scotland to make a decision about your application. Redress Scotland will use the "Assessment framework" to help them do this, available on [gov.scot](https://www.gov.scot). Please be aware that it contains graphic descriptions of abuse.

Q4 | On the next page, please provide as much information as you can about:

- the abuse you experienced while living in this care setting
- what life was like for you during this time
- how the people responsible for your care and welfare failed to carry out that duty (within or beyond your care setting)

You can continue on additional pages if you need to.

Part 2 of the application form provides more information about what you may want to include.

Your statement for additional care settings

I was a very young boy when being placed here.
I find it a very weird experience to have had at a young age.

I didn't get on well with the staff members here and that was just a natural vibe from it all. I was physically restrained on multiple occasions here by the staff members in which they caused physical pain to me. At a young age this was hard to contain. A fight broke out between me and another boy and the teachers restrained me and when doing so, a teacher called "Mr. Harris" he dislocated both of my knee's from bad manhandling me. He knelt on my knee to restrain me and when I've stood up with my hands still restrained I've reacted in pain and as a result of that, I've been pulled back to the floor and then my other knee dislocated.

I was made to stay in school the rest of the day whilst my knee's were getting more swollen. Mr. Harris then took my home and said for my mum to take me to the hospital. Mr. Harris admitted he didn't want the school to get a bad reputation and that's the reason why I wasn't taken to the hospital sooner.
