Your statement for additional care settings

In Part 1, you will have already provided information about the care settings you were abused in. By providing this information here, your case worker can join together the name of the care setting with your statement of abuse.

Q1 | What is the name or location of the relevant care setting you were abused in?

(For example, the name of the care home, or the city or region where you lived in foster care or while boarded out).

Kibble Education and Care Centre

Do not worry if you are uncertain about dates or time. Please provide your best estimate.

Q2 | When were you abused?

For example: a single date, an age, or an approximate time or time range.

1990-1994

You do not have to provide names, if you cannot remember or do not feel comfortable doing so. If you do provide a name it will be passed to Police Scotland.

Q3 | Who was involved in your abuse?

For example: a member of staff, a peer or someone outside the care setting.

The information you provide will be used by Redress Scotland to make a decision about your application. Redress Scotland will use the "Assessment framework" to help them do this, available on [gov.scot](https://www.gov.scot). Please be aware that it contains graphic descriptions of abuse.

Q4 | On the next page, please provide as much information as you can about:

- the abuse you experienced while living in this care setting
- what life was like for you during this time
- how the people responsible for your care and welfare failed to carry out that duty (within or beyond your care setting)

You can continue on additional pages if you need to.

Part 2 of the application form provides more information about what you may want to include.

Your statement for additional care settings

During my time in Kibble, I was one of the 'Day boys' where I'd go to school in the day and then return to Kibble after school. Some of the boys there didn't like that I had that sense of freedom to be outside of the facility. It got to a point where staff members turned physical on me. They would slap me around, kick me up the bum and restrain me in a very unlawful manner. They would fold my legs like a figure of 4 and pull my arms up my back. I remember shouting at them for hurting me and they would do it harder. They would restrain us with force like the Police would by grabbing us by the wrists and controlling us by a pressure point almost. This was really sore and painful and I'd feel the effects of this days later.
