Your statement for additional care settings

In Part 1, you will have already provided information about the care settings you were abused in. By providing this information here, your case worker can join together the name of the care setting with your statement of abuse.

Q1 | What is the name or location of the relevant care setting you were abused in?

(For example, the name of the care home, or the city or region where you lived in foster care or while boarded out).

HMP & YOI Polmont Polmont

Do not worry if you are uncertain about dates or time. Please provide your best estimate.

Q2 | When were you abused?

For example: a single date, an age, or an approximate time or time range.

1995-1996

You do not have to provide names, if you cannot remember or do not feel comfortable doing so. If you do provide a name it will be passed to Police Scotland.

Q3 | Who was involved in your abuse?

For example: a member of staff, a peer or someone outside the care setting.

The information you provide will be used by Redress Scotland to make a decision about your application. Redress Scotland will use the "Assessment framework" to help them do this, available on [gov.scot](https://www.gov.scot). Please be aware that it contains graphic descriptions of abuse.

Q4 | On the next page, please provide as much information as you can about:

- the abuse you experienced while living in this care setting
- what life was like for you during this time
- how the people responsible for your care and welfare failed to carry out that duty (within or beyond your care setting)

You can continue on additional pages if you need to.

Part 2 of the application form provides more information about what you may want to include.

Your statement for additional care settings

This YOI was a horrible time for me. The worst place I was ever in.

I had a similar experience to Kibble in here. I had to keep myself to myself in here. I didn't look at anybody, laugh at anybody and I barely spoke to anybody.

I did experience a few fights in here in order to protect myself and some of the other boys testing whether they could walk all over me or not.

The guards here were the worst. They were nasty and treated me poorly. They would degrade me and not help me in any way.

They didn't want to help anybody, I remember seeing this one boy press his cell call button for help and when the guards came to his cell they punched him in the mouth and told him not to press that button again unless he actually needs them. The guards did swear at this boy when saying so. This wasn't a nice thing to witness and I had to hide from watching incase the guards seen me watching and come and beat me up to.

My food was toyed and teased with in this facility and I would sometimes not receive my food because somebody else stole it. I remember getting really hungry and upset as to why it was me getting targeted.
