Your statement for additional care settings

In Part 1, you will have already provided information about the care settings you were abused in. By providing this information here, your case worker can join together the name of the care setting with your statement of abuse.

Q1 | What is the name or location of the relevant care setting you were abused in?

(For example, the name of the care home, or the city or region where you lived in foster care or while boarded out).

St Johns Children's Home, Glasgow

Do not worry if you are uncertain about dates or time. Please provide your best estimate.

Q2 | When were you abused?

For example: a single date, an age, or an approximate time or time range.

1990 - 1992

You do not have to provide names, if you cannot remember or do not feel comfortable doing so. If you do provide a name it will be passed to Police Scotland.

Q3 | Who was involved in your abuse?

For example: a member of staff, a peer or someone outside the care setting.

The information you provide will be used by Redress Scotland to make a decision about your application. Redress Scotland will use the "Assessment framework" to help them do this, available on [gov.scot](https://www.gov.scot). Please be aware that it contains graphic descriptions of abuse.

Q4 | On the next page, please provide as much information as you can about:

- the abuse you experienced while living in this care setting
- what life was like for you during this time
- how the people responsible for your care and welfare failed to carry out that duty (within or beyond your care setting)

You can continue on additional pages if you need to.

Part 2 of the application form provides more information about what you may want to include.

Your statement for additional care settings

The day staff were great, but I did not get on with the night staff. One member of the night staff assaulted me on three separate occasions. He would come into my room and attack me without any provocation.

On one occasion, I went into my friend's room. He came in, grabbed me, dragged me back to my own room, kicked me, and beat me up badly. He would also stamp on me while I was in bed and pick me up. I was constantly scared at night and struggled to sleep because I was worried he was going to come into my room and hurt me again.

I tried to tell the other staff what he was doing, but they did not seem interested. Nothing was ever done about it, despite me reporting what had happened.
