Dear Ms Victoria Sutherland

Your Reference: 100263

Thank you for choosing MMA Legal to represent you in your Scottish Redress Claim.

We are pleased to confirm that we have now received your Subject Access Requests and care records back and are in a position to progress your Claim to the next stage.

We now need to obtain your witness statement. The witness statement is your written record of what happened to you, what you saw and what you experienced whilst you were placed in care.

The witness statement document is only viewed by you, MMA Legal and the panel at Redress Scotland and is completed with a statement of truth which is your declaration confirming the contents of the same are a true and an accurate reflection of your time in care.

The time it takes to obtain your witness statement will be dependent upon the evidence we have received on your behalf, together with your ability to discuss such sensitive information in greater detail.

We therefore recommend reserving a 1 hour time slot to discuss the same, however, we may not be able to complete the statement within 1 call and could potentially need to conduct a number of additional calls to complete the statement.

Can you please provide us with your availability and the best time to contact you between Monday and Friday 9am to 5pm or a specific date in the near future for us to complete the statement.

Should you have any questions in the meantime, please do not hesitate to get in touch with the office via telephone on +441615700550 or via email at evidence@mmalegal.co.uk.

Yours Faithfully
