Good Afternoon Lisa,

Thank you for your email

Regarding your email about Vivian to provide the witness statement, unfortunately we would need yourself to take the statement over the phone with ourselves. Vivian can be present at the time of the statement to support you and provide a supporting statement; however the main witness statement must be in your own words, voice. I hope that this does not cause any issues for yourself.

Following on from your email about records we are waiting on, I can confirm we are just awaiting records from Edinburgh City Council and St Triduana's Medical Practice.

After we are in receipt of these records, I will be conducting an evidence review of all relevant records to your time in care and will contact yourself to book in for a witness statement.

If you have any further questions please do not hesitate to ask.

Kind regards

Daniel Asprey

Good Morning Lisa,

I hope you are well,

Thank you for your email, I have added Vivien as your Nominated beneficiary on your client file.

Could you kindly confirm if it will be Vivian you would like to provide a supporting statement? Just wanted to clarify as it will need to be yourself to provide a formal witness statement.

Should you have any questions please do not hesitate to ask,

Kind regards
