Good morning, Ms Morgan

Thank you for your email,

I really appreciate you getting back to me with this information.

Just to clarify your chronology of care that we have on record, would you mind confirming for me the dates stated below as correct:

Woodlands - 1973 - 1976
Foster care - 1965 - 1973

I can completely understand that you may not remember exact dates and that is absolutely fine, we just need a confirmation from yourself that these dates above are accurate to your time in care.

Please do not hesitate if you have any further queries about this.

Thank you in advance and we look forward to hearing from you in due course.

Kind regards,

Daniel Asprey

Dear Mr Asprey

You asked about the dates on Foster Care.

as my memory serves me, on the exact date is uncertain as I remember that I was in primary 1 at camdean primary school, which I was held back from moving into p.2..I was told that I started school too early.

My brother and I were at Mr & Mrs Leighs also at school there, so you see I cant under stand this.

My brother William is a year older than myself. He was born in 1961, myself 1962.

I was told that my older brother John was going to be ready to start school he was born in 1960.

I hope this helps with the dates.

Yours Truly

Ms W. Morgan.
