SOCIAL BACKGROUND REPORT
CHILDREN'S HEARING

The following child:-

Surname JONES Date of Birth 26.12.69
Christian Names or Forenames Andrew Religion
School N/A
Address 36 Ashmore Street
Kirkton
Dundee
is to appear on 10 July 1986 Dundee Children's Hearing
in connection with Review at Request of Social Worker.

This case was transferred to me on 3.2.86 following the departure from this department of the previous social worker Mrs. Creamer. I met Andrew and his mother at their home on 18.2.86. Subsequent attempts to meet Andrew either in the Social Work Department or at his home have been unsuccessful. These have included involving the services of the Special Case Officer, Mr. R. Smith of Department of Health and Social Security, who contacted the Careers Office regarding Andrew and tried to persuade him to call and see me and also advising his mother Miss Mill of my duty to discuss supervision with Andrew.

Following the request to the Reporter to convene a Review Hearing I sent a letter, Recorded Delivery, to Andrew advising him of my actions and again making an appointment to see me at the Kirkton office on 1st. July, but he did not appear. Miss Mill has also advised that Andrew has no intention of complying with the supervision requirement and she feels that the present order should be terminated. I do not feel in a position to give a recommendation but do feel that in the circumstances the benefits of continuing the order must be in doubt and I should like this aspect to be fully discussed at the Hearing.
