How I Get On In Carolina :-

In Carolina House I seem to get on well with most people most of the time. It is quite obvious that I get on O.K with the other kids in my section as they are more my own age, but I also get on ^{really} well with some of the older kids too. I also get on O.K. with staff too and try to help them out when I can.

When I Am Out With My Friends!

When I am out with my friends I am usually playing football or watching some other football game. I also play snooker and golf with my friends. Recently I joined the B.B's so I will be with most of my friends from school, and I will also get to know some people.

How I Get On At School!

When I am at school I feel I can try a bit harder but some times I don't try because of my teachers if they won't try to help me, but maybe after the holidays I will cope a bit better as I will be changing teachers.

My Social Worker!

My social worker is O.K. I get on well with him as we can talk about football and other things too. The contact is alright sometimes but not so good other times.

My Family!

I still visit my dad one Sunday - and my ^{gran} ~~dad~~ the next Sunday and this suits me fine. When I am at my dad's house I usually see my brother Derek and Linda Archer and of course my dad, and I usually go along the road and see my ~~other~~ auntie and uncle and my cousins. When I ~~am~~ visit my gran I see all my aunts and uncles and cousins on my mum's side of the family. I have also been up for a couple of visits to see my Brother and his family in Aberdeen since last time. My other brother Graham has just recently been sentenced to prison for five years. Since then I have been to see him in Greenock and I also went to see him a few times in Perth Prison before he was sentenced.

My Future !

Since the last review I have not changed my decision about where my future lies as I want to stay in Carolina House for a little while longer as I can't see myself wanting to move to any other place.
