Attendance No: SH-17-002557-36

Time Attended: 09:11

Time Left: 10:15

Redress Comments:

Return for redress to the left lower leg. Patient states that she changed the dressing yesterday due to the fact that wound leaked out. No evidence of infection, wound showing good signs of granulation. Advised patient that i would change dressing to Atrauman. Advised to return in 3/7.

Examination:

Left Lower Leg

Treatment:

Biatain Silicone (Single Use), Atrauman, Cleaned with Saline

Discharged to: Home

Discharge comments:

Name of Nurse: Barbara Powell
