THE CORPORATION OF DUNDEE

SOCIAL WORK (SCOTLAND) ACT 1968

FORM OF STATEMENT BY REPORTER OF GROUNDS FOR THE REFERRAL OF A CASE TO A CHILDREN'S HEARING

David Ballantyne ANDREWS; aged 7 years; presently care of St. Francis' Children's Home, Roseangle, Dundee,

is being referred to a Children's Hearing for the City of Dundee,

on the grounds of the following conditions:

that the lack of parental care is likely to cause him unnecessary suffering or seriously impair his health or development

and may, therefore, be in need of compulsory measures of care in terms of Section 32 (subsections (1) and (2)(c) of the Social Work (Scotland) Act, 1968.

STATEMENT OF FACTS

1. The said child was born, so far as has been ascertained, on 13th July 1967, and is the child of John Andrews, who resides with his parents, Mr & Mrs Keek at 20 Cheviot Crescent, Dundee, and Mrs Janette Simpson Markie or Andrews who is believed to be residing presently care of Rice, 5 Brideoak Street, Chesham Hill, Manchester. Until 5th October 1974 the said child and his siblings Helen aged 6 years and Sharon aged 5 years, normally resided with their mother, latterly at 80F Pitkerro Drive, Dundee.
2. The said parents have been known to the Dundee branch of the Royal Scottish Society for the Prevention of Cruelty to Children since January 1969. Between that time and June 1973 the parents were separated on a number of occasions and the children lived at different times with the mother, with the father and with the maternal grandmother, Mrs Markie, 12 Isla Street, Dundee. During the said period the mother deserted the family on a number of occasions.
3. On 13th July 1974 the said maternal grandmother informed the said Society that the children had been left in her care by the mother without any adequate financial provision. It was ascertained that the mother was at that time living with a man named Brian Rice at 91 Balunie Avenue, Dundee, but that she intended soon to move to 80F Pitkerro Drive, Dundee.
4. On 6th September 1974 Senior Inspector John Durie and Inspector Ian Chalmers of the said Society visited the home of the maternal grandmother at 12 Isla Street, Dundee, where the children together with the mother and the maternal grandmother were seen. The children appeared dirty but adequately clothed.

NOTES

At the children's hearing the child or his parents may or may not accept the grounds for bringing the child before the hearing. If the grounds are accepted by the child, and his parents, if present, the children's hearing will discuss and consider with the child and his parents what is best for the child. If any of the grounds are not accepted, the hearing may either discharge the referral or direct the reporter to refer to the sheriff for a decision as to whether or not any of the grounds exist. If this happens the child will have to appear before the sheriff at a later date. If the sheriff decides that any of the grounds do exist, the children's hearing will then discuss and consider what is best for the child, as if these grounds had been accepted. If the sheriff decided that no grounds exist the referral will be discharged.

5. On 17th October, 1974 the maternal grandmother informed the Society that on 5th October 1974 she had been asked by the mother to look after the children to enable the mother to attend a dance; the mother had failed to return and had not since made any contact with the maternal grandmother. On 18th October 1974 Senior Inspector Durie and Inspector Chalmers visited the home of the maternal grandmother, where they saw two of the three children, David and Helen, who were adequately clothed. The home was dirty and badly kept, and there was insufficient accommodation for the children. The maternal grandmother advised the said Inspectors that because she was unable to care for the children she had contacted the father and had unsuccessfully attempted to persuade him to look after them. The Inspectors then attempted to contact the father, but without immediate success.
6. On 23rd October 1974 the father on being interviewed by the Society, stated that he was unable to look after the children, and he was advised that he should contact the Social Work Department of the Corporation of Dundee.
7. On 30th October 1974 Senior Inspector Durie and Inspector Chalmers again visited the home of the maternal grandmother, and again found it to be in a dirty condition. Of the children, only Sharon, who was in bed suffering from a heavy cold, was seen; David and Helen were at school. On the same date Inspector Chalmers discussed the children's situation with an officer of the said Social Work Department, and other officers of the Department then visited the home of the maternal grandmother. On 31st October 1974 the Department was able to make arrangements for the care of the children, who were then placed in St. Francis' Children's Home, Roseangle, Dundee.

NOTES

A children's hearing is a group of three people specially selected for their interest and concern in understanding and helping children who are in trouble. They meet to discuss with a child and his parents any difficulties that may have arisen, to discover the reasons for these difficulties and to find an answer which is in the best interests of the child. In some cases this may involve compulsory supervision or even removal from home. [Further information on the hearing is set out in the leaflet entitled 'To tell you about the Children's Hearing' a copy of which accompanies this notification.]

When the children's hearing are discussing your case, they will want to find out your views and you may, if you wish, bring with you to the hearing someone to help you in discussing your difficulties and what might be done. The personal expenses of this representative (but not any fees) may be refunded if they are not less than fifteen pence (15p).

Your own personal expenses (but not any loss of earnings) in coming to the hearing may be refunded if those expenses, together with any expenses of your parent(s) in coming to the hearing are not less than fifteen pence (15p).

~~If you do not attend the hearing, steps may be taken, including possibly your detention, to make sure that you do appear before a hearing. If there is a very good reason, such as illness, why you will be unable to attend the hearing, you should contact the Reporter immediately at: 91 Commercial Street, Dundee.~~

Date 15th November, 1974

NOTES

At the children's hearing the child or his parents may or may not accept the grounds for bringing the child before the hearing. If the grounds are accepted by the child, and his parents, if present, the children's hearing will discuss and consider with the child and his parents what is best for the child. If any of the grounds are not accepted, the hearing may either discharge the referral or direct the reporter to refer to the sheriff for a decision as to whether or not any of the grounds exist. If this happens the child will have to appear before the sheriff at a later date. If the sheriff decides that any of the grounds do exist, the children's hearing will then discuss and consider what is best for the child, as if these grounds had been accepted. If the sheriff decided that no grounds exist the referral will be discharged.

5. On 17th October, 1974 the maternal grandmother informed the Society that on 5th October 1974 she had been asked by the mother to look after the children to enable the mother to attend a dance; the mother had failed to return and had not since made any contact with the maternal grandmother. On 18th October 1974 Senior Inspector Durie and Inspector Chalmers visited the home of the maternal grandmother, where they saw two of the three children, David and Helen, who were adequately clothed. The home was dirty and badly kept, and there was insufficient accommodation for the children. The maternal grandmother advised the said Inspectors that because she was unable to care for the children she had contacted the father and had unsuccessfully attempted to persuade him to look after them. The Inspectors then attempted to contact the father, but without immediate success.
6. On 23rd October 1974 the father on being interviewed by the Society, stated that he was unable to look after the children, and he was advised that he should contact the Social Work Department of the Corporation of Dundee.
7. On 30th October 1974 Senior Inspector Durie and Inspector Chalmers again visited the home of the maternal grandmother, and again found it to be in a dirty condition. Of the children, only Sharon, who was in bed suffering from a heavy cold, was seen; David and Helen were at school. On the same date Inspector Chalmers discussed the children's situation with an officer of the said Social Work Department, and other officers of the Department then visited the home of the maternal grandmother. On 31st October 1974 the Department was able to make arrangements for the care of the children, who were then placed in St. Francis' Children's Home, Roseangle, Dundee.
