NOTES

A children's hearing is a group of three people specially selected for their interest and concern in understanding and helping children who are in trouble. They meet to discuss with a child and his parents any difficulties that may have arisen, to discover the reasons for these difficulties and to find an answer which is in the best interests of the child. In some cases this may involve compulsory supervision or even removal from home. (Further information on the hearing is set out in the leaflet entitled "To tell you about the Children's Hearing" a copy of which accompanies this notification).

When the children's hearing are discussing your case, they will want to find out your views and you may, if you wish, bring with you to the hearing someone to help you in discussing your difficulties and what might be done. The personal expenses of this representative (but not any fees) may be refunded if they are not less than fifteen pence (15p).

Your own personal expenses (but not any loss of earnings) in coming to the hearing may be refunded if those expenses, together with any expenses of your parent(s) in coming to the hearing are not less than fifteen pence (15p).

~~If you do not attend the hearing, steps may be taken, including possibly your detention, to make sure that you do appear before a hearing. If there is a very good reason, such as illness, why you will be unable to attend the hearing, you should contact the Reporter immediately at: _____~~

NOTES

A children's hearing is a group of three people specially selected for their interest and concern in understanding and helping children who are in trouble. They meet to discuss with a child and his parents any difficulties that may have arisen, to discover the reasons for these difficulties and to find an answer which is in the best interests of the child. In some cases this may involve compulsory supervision or even removal from home. (Further information on the hearing is set out in the leaflet entitled "To tell you about the Children's Hearing" a copy of which accompanies this notification).

When the children's hearing are discussing your case, they will want to find out your views and you may, if you wish, bring with you to the hearing someone to help you in discussing your difficulties and what might be done. The personal expenses of this representative (but not any fees) may be refunded if they are not less than fifteen pence (15p).

Your own personal expenses (but not any loss of earnings) in coming to the hearing may be refunded if those expenses, together with any expenses of your parent(s) in coming to the hearing are not less than fifteen pence (15p).

~~If you do not attend the hearing, steps may be taken, including possibly your detention, to make sure that you do appear before a hearing. If there is a very good reason, such as illness, why you will be unable to attend the hearing, you should contact the Reporter immediately at:-~~
