Dear Dr. Breen,

Re: Sharon Holmes, d.o.b. 18.09.73 and Haydn Walker, d.o.b. 03.05.92  
2 Old Port Avenue, Stranraer DG9 7BQ

This lady is having a very difficult time just now. She has a number of domestic stresses and problems with her children. She is keen to seek other accommodation which she feels would go some way to alleviating her stresses in a practical way and I wonder if this could be looked on sympathetically.

Kind regards  
Yours sincerely,

Dr. D. J. Wooff
