NAME: Tommy Tarbett

D.O.B: 16.07.73

HOME ADDRESS: 3 Campbell's Close, 2 Ogilvie's Road, Dundee

PLACEMENT ADDRESS:

SCHOOL:

Full-Time Course, Dundee College of Further Education.

LEGAL STATUS:

Section 24.

BRIEF BACKGROUND:

Tommy and siblings received into care when parents split up and dad was left to cope with children. He was unwilling/unable to cope. Tommy spent his years in care in Carolina House before moving to accommodation provided by Carolina in conjunction with Gowrie Housing.

PRESENT SITUATION:

Tommy attends Kingsway Technical Sports Management Course. Receives Independent Living allowance from the Department and continuing support from staff at Carolina. Well settled and no significant difficulties.

FUTURE PLANS & FOCUS OF WORK:

Plan is to continue to support Tommy financially until he is established independently. He receives considerable support from staff at Carolina. Contact person Hilda Thow, Outreach Worker. Peter Devlin maintained contact with Tommy on a casual, occasional lunchtime basis having been his social worker since Tommy came into care. Otherwise the only tasks are administrative/financial matters due to the departments statutory duties under Section 24. When Peter moved to Ninewells he retained the case but on his demotion from that post the case file came back to Children and Families Team 1. As the decision has now been made to redeploy Peter in Dundee East on his return from sick leave the case needs to be reallocated in YP Service as Tommy is a Dundee West ex child in care.

No other social worker has been involved with Tommy while Peter has been off sick I have been dealing with administrative matters myself pending his return.

Anna Pauling
Senior Social Worker
