**Subject:** FW: Data Subject Access Request - Miss Shirley Turner

Good afternoon,

Thank you for the below and attached request for information which has been passed onto our team who manage Data Rights Request on behalf of Aberdeen City Council.

We would be extremely grateful if you could confirm if this request is for the purpose of gathering information to support a request for financial redress (<https://www.mygov.scot/apply-for-scotlands-redress-scheme>)?

If it is, we will pass your request to the team that specifically deal with this type of request. They will be in touch with you directly to discuss how much information you will need to receive to satisfy the application requirements.

If it is not, we will process your request as a Subject Access Request (SAR). Please note that we are experiencing a high volume of requests at the moment, and a subject access request can take significant time to process.

Please note, if you go through the redress application process and then would like to receive all records, you can contact us to make a SAR at a later date.

We will keep this request on hold and look forward to hearing from you.

Kind regards  
Rebecca Finlayson
