Dear Sir/Madam

Subject Access Request under the General Data Protection Regulation

Patient: PAUL CARROLL

DOB: 13/04/1984

Thank you for your request for records received 28th May 2026 in which you seek a copy of your client's personal information.

Your request has been dealt in line with our requirements under Article 15 of the General Data Protection Regulation and I now attach the following:-

COPY INVERCLYDE ROYAL HOSPITAL MEDICAL RECORDS

Please be aware that these health records have been reviewed by a clinician and any information identifying or provided by a third party has been removed.

We process personal information to enable us to provide healthcare services for patients; support and manage our employees; to carry out research and clinical trials; maintain our accounts and records and to carry out data matching under the national fraud initiative. We also use CCTV systems for crime prevention.

This personal information can be both clinical and non-clinical in nature, and can include:-

- patient health records, photographs or Radiology images;
- video/telephone recordings, including CCTV images;
- Witness Statements;
- Incident reports

- Complaints files
- Emails

The source of our data includes patients, General Practitioners, healthcare, social and welfare organisations, legal representatives and police forces.

We sometimes need to share the personal information we process with the individual themselves and also with other organizations as listed above. Where this is necessary we are required to comply with all aspects of the General Data Protection Regulation.

Where these organisations are based outside Europe we take all appropriate safeguards to protect your information.

Health records are kept for a limited time and this is noted below for your information:

- Adult general hospital records – six years after the date of the last entry;
- Maternity records – 25 years after the birth of the last child;
- Children's and young people's records – until the child or young person's 25th birthday;
- Mental health records – 20 years after the date of the last contact.

If you have any queries, please do not hesitate to contact me.

If you are unhappy with how your request has been dealt with please contact the NHSGGC Data Protection officer. Their contact details are noted below:

PATIENT ALERTS

DO NOT FILE DOCUMENTS ON TOP OF THIS
 DIVIDER. DO NOT REMOVE FROM CASE
 RECORD

Any patient alerts (eg drug/anaesthetic reaction, infection risk, disability awareness etc) must be recorded on this sheet with the date and name of person filling in the sheet. Full details should still be recorded in the patient's notes. A yellow "alert" sticker should be affixed to the front cover of the case sheet at the same time. If the alert no longer applies the entry on this sheet should be crossed-through and the sticker removed.

Drug Reactions / Anaesthetic Reactions / Allergies

Date

Name

Blood Transfusion Information

Detail special requirements eg irradiated products, pre-medication etc

Infection Control

Record infection risk - Blood-Borne Viruses, MSRA, VRE, CJD etc
