Good afternoon,

Thank you for your previous email. We note its contents.

We are unable to provide you with specific locations. As you can understand, a high volume of our clients are elderly individuals who were placed into care at ages as young as 2. Therefore, they may not know the institutions, or locations, where their care was. Just the councils who were responsible for their care and wellbeing.

If you require any further information, don't hesitate to contact us.

We look forward to hearing from you in due course.

Kind regards,

James
