Good Afternoon,

I am emailing today in relation to a Subject Access Request sent on behalf of our client; Alexander Atkinson.

I am awaiting response in regard to this as the last email we received from yourselves states - The one calendar month period allowed for response to your request will expire on **18 July 2026**.

Therefore, the due date for this request has expired and we require a response.

If this has already been actioned and a response has been sent, please could this be clarified to myself as to the outcome of this request as I am currently unable to locate any recent correspondence.

Should you require any further information please do not hesitate to ask,

Kind regards
