Mr McIntyre

As you are now near the top of the waiting list, I should be grateful if you would return the attached tear off slip to let me know if you still require to see a therapist. You may find the enclosed leaflet helpful in making your decision.

If you decide to return the attached slip, an appointment will be sent to you for the earliest possible date. However, if you do not return the attached slip **within 3 weeks**, of the date of this letter, I will presume you no longer require to be seen by this department.

Thank you for your patience in waiting for this appointment.
