Summary of Contact

Lewis had been involved in an incident in the Taxi on Friday. Which resulted in the firm refusing to pick-up Lewis. After lengthy discussions between the taxi driver, Lewis, John Cameron, and taxi company and the writer. It was decided that the most appropriate action would be to place a more experienced driver on this particular run. This worked successfully on the Tuesday.

Feed back from both education and Youth Art have been very positive. Each indicating that Lewis is working hard, and developing new relationships within the Youth Art project.

Well done Lewis, Keep-up the excellent work!!
