Good Morning,

I am emailing today in regard to a Subject Access Request for Mr Thomas Murphy,

We were recently in receipt of a link to access medical records however, when attempting to access the link it states 'The requested file has expired. Ask the sender to re-upload the file if access is still required'

Please can this be re-sent at your earliest convenience, if you can reply to this email with the link or to evidence@mmalegal.co.uk I would really appreciate it.

Please let me know should you require any further information

I look forward to hearing from you in due course

Kind regards

Daniel Asprey
