Dear Colleagues,

Re: Andrew Shaw. DOB 21/04/67, c/o Iona Ward, Beckford Lodge

Mr Shaw is a patient in Iona Ward, Beckford Lodge Hospital, NHS Lanarkshire, and was admitted on 25 January 2021. Iona Ward is a low-secure, forensic psychiatric ward. Mr Shaw is detained on a hospital based compulsion order under section 57A of the Criminal Procedure (Scotland) Act 1995. He has a diagnosis of paranoid schizophrenia and his treatment includes, injectable antipsychotic medication and specialist psychiatric nursing care.

I am of the opinion that Mr Shaw is fit to be detained in police custody and is fit to attend court.

Mr Shaw's bed remains available on Iona Ward and I would request that he be returned to hospital should he be released from court.

Yours sincerely,

Dr Ishbel Macfarlane MBChB, MRCPsych
