

Ring being returned after boxing again by Mr McDonald + boys. W/H behaviour very poor. I was involved earlier in the evening with M/H. By the time I got to W/H Mr Johnson was about demerol I got the all together + explained that we were all hoping that the house would improve with some of the bully boys away + that we were expecting great things for the Games cupboard had been forced open. Walls sprayed with aerosol can, hole knocked in Down 2 wall again. U/parts stolen - a real disappointment which will no doubt be reflected in the leave allowances.

22-3-85. Ruelle routine as normal. New system of leave in operation. All paperwork plus cash being issued within each house with boys leaving from their own unit. Parade at 3³⁰ PM for all boys not going on leave. Evening activities were sports hall, video and T.V. and house games. All boys volunteered for boxing ring on Saturday. [redacted] circulated thro' Blunnie at 10⁰⁰ PM. (case noted). S. Martin in custody in Dunfermline police station, stand-by contacted. They will inform us of their intentions. Boys watching late T.V., as for all is well.
