Billy up, in to tan with Graham to get a wash. Out with (Mae) for a short while but both ended up fighting. Staff did not see incident but went and separated them once they saw them arguing. (Mae) went off and Billy came inside saying (Mae) had had better than. Agreed with Billy that staff would not intervene just now (his request).

LATE 24.05.03	
Billy & staff went to watch the Dundee/Rangers game. Billy was really excited and explained what was happening during the game to staff (who didn't know about football!). Billy was extremely well behaved & very good company. Billy had tea with staff before going to Achterhaus to visit a friend. After about an hour Billy phoned the unit to ask staff to send a taxi to get him as his friend had gone home (they had been at the park). Staff phoned Handy's Taxis a short time later to check that they had picked Billy up but they said that.

6/5/03 Billy got up well but was in a sullen mood. Staff asked if there is a problem, he just replied 'no'. He got very upset and angry when staff tried to help him to find his shoes for school. He was shouting 'It's not my fault I can't find them and you bloody look for them'.	Jeinifer
6/6/03 Did not wish to discuss with staff at start of shift why apparently sullen at school. After tea went to play football in the community with Mike and JIA. Billy had to be back for 8pm but not come back at that time. Staff took looking for him playing football with other Yankers. When asked to come back did so. Explained to Billy
