Patient: SHEILA KERR DOB: 02/07/1971

Thank you for your request received 28th May 2026 regarding the above patient.

We have now finished searching our files and systems for information on the patient.

Based on the details you supplied us we can confirm that we can't find any trace of the patient attending Royal Alexandra Hospital.

If you can supply me with more information, I would be happy to carry out a further search.

Yours sincerely
