Consultation Summary**Before we begin, please can you tell us who this e-consultation is for:**

This e-consultation is for myself

We want to make sure you get the right help and advice today. Please select one of the following options:

I'm looking for help with a symptom, medical issue or diagnosis that I have

Please provide a detailed description of any problems you may be experiencing:

hello I have a persistent dull pain in my stomach area it sometimes is very unpleasant it gets better when I eat something I'm also feeling nauseous mainly in the mornings. please can you advise .

Is there anything that you feel has caused or triggered your problem(s)?

possible ibuprofen use

Does anything you do make you feel better?

food

Does anything you do make you feel worse?

an empty stomach

If you have had the same problem(s) before, please tell us about any diagnosis or treatment you may have received:

I've never received any diagnosis or treatment for this issue

Uploading photos

Please provide up to 5 photos if this will help us to understand your problem.

Any photos you upload will be added to your clinical record and used for your clinical care. They may be seen by both male and female healthcare professionals.

Please **DO NOT** upload any intimate photos. These include photos of genitalia, the area around the anus and breast, even if these are the affected areas.

The clinician will communicate with you if any photos of an intimate nature may be needed or may suggest an alternate method of consulting with us.

No

Please tell us if there was any particular outcome you were hoping for:

No, I would like to hear your suggestions on how to proceed

We want to fully address your concerns today.

With this in mind, is there any medical problem or diagnosis you feel that you might have?

I'm not worried about any specific diagnosis

Are you taking any medications not prescribed by our GP practice?

Please also tell us about medicines bought over-the-counter and herbal remedies.

ibuprofen

Are you allergic to any drugs or creams?

No

If we need to prescribe a medication, to which pharmacy would you like us to send this prescription?

Britannia Pharmacy, IG1 2SN

Is there any other information you would like to share with us?

I have no other information to provide
