.....Ronan Jones.....

A.G.E.

D.O.A.

DATE

OCCURRENCE

INITIAL

9/8/83 1/5 out to Llanas Fair. Ben came from boxing for Wm  
 & said to tell him to come up any time. I was fishing  
 also.

11/8/83 Out to boxing tonight. OK when seen

12/8/83 Played mostly in David's room with game. then watched  
 TV. Telling me that he maybe in his first  
 boxing bout in a couple of months takes place in  
 Glasgow, he'll be told nearer the time if he's ready

3/8/83 Told me about boxing as well & that there may be a  
 bout in Ards Hotel. ~~At 8.45~~ <sup>8.45</sup> ~~Chances~~ <sup>Chances</sup> He got some  
 boxing practice in punching chords month for slugging  
 but listened to rapson after & calmed so got to sleep.  
 Slugging was reduced new dimensions which were never within  
 words so removed from original slugs that its ridiculous.

Mum said & took him & Sarah out

14/8/83 Day. leave to Ymums and returned to go to boxing

15/8/83 Good day. At boxing at night. Good coming

16/8/83 Out to boxing again tonight. OK when seen

17/8/83 Out to boxing again. Returned approx. 9.50! Is every boxing  
 night as late as this? Mum & Christine visited.

19/8/83 Put to bed early because of bad behaviour. was not  
 at all pleased and he was very cheeky.

20/8/83 Out with Mum & Sarah in the afternoon. Played well  
 outside till rain came on. Quiet watching T.V.  
 later till David M-D came back.

22/8/83 At boxing tonight so didn't see much of him  
 Was telling me training before a fight is nearly  
 every night & afterwards it goes to possibly  
 3 nights per week.

24/8/83 Mum visited & to boxing later

25/8/83 At mums & back at 8.30. No bother just now.

26/8/83 Saw ~~Carsten~~ <sup>Carsten</sup> ~~Waring~~ <sup>Waring</sup> about outside. A bit  
 quiet afterwards but usual good natured self.

27/8/83 Out with Mum & Sarah with Ann Street Swimming Group  
 Has bought ~~new~~ Sean's bike (as approved by McKensay) and  
 has played on it happily all night.

28/8/83 Out to mums then back for boxing. Good to see some  
 dedication towards a hobby/sport. Very pleasant as usual

29/8/83 Very well behaved tonight. Went out to boxing then went to bed  
 Andrew seems very content.

| DATE    | OCCURRENCE                                                                                                                                                         | INITIAL   |
|---------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| 30/6/83 | Went to see mum after tea then on to boxing club                                                                                                                   | MD        |
| 1/7/83  | Mum visited today. Off to Boxing Club again tonight - thoroughly enjoyed himself. Full of enthusiasm.                                                              | MD        |
| 2/7/83  | Very helpful this morning, volunteering to do at least 3 jobs before going to visit mum.                                                                           | 2F        |
| 8.7.83  | Slaught Sean To-night, a real pest at times                                                                                                                        | M-L-Grady |
| 21.7.83 | Played outside most of the time                                                                                                                                    | MD        |
| 22.7.83 | Played outside & content to watch T.V.                                                                                                                             | MD        |
| 23.7.83 | Day leave with Mum                                                                                                                                                 | MD        |
| 24/7    | Went to Mums.                                                                                                                                                      | MD        |
| 24/7    | at the boxing tonight saying he maybe chosen for St. Francis Select after some more training                                                                       | MD        |
| 26/7/83 | Went to Boxing Club but trainer did not turn up. [REDACTED] had gone along as he's interested.                                                                     | MD        |
| 27.7.83 | At boxing with Alex, both had good night.                                                                                                                          | M.Y.      |
| 28/7/83 | Boxing Tonight                                                                                                                                                     | AC        |
| 29/7/83 | Very quiet hung around most of the day. Went out in the evening                                                                                                    | AC        |
| 30/7/83 | Out with Mum in the afternoon & watch T.V. most of the night                                                                                                       | MD        |
| 31/7/83 | At Mums in afternoon, boxing in the evening                                                                                                                        | AC        |
| 1/8/83  | Played well in the evening with Robert & some of the other younger ones                                                                                            | MD        |
| 2/8     | Home for the day with Mum. Not much to say on return but seemed quite happy                                                                                        | VT.       |
| 3/8/83  | Mum visited tonight then Andrew content to amuse Hugh, Robert & Alex                                                                                               | MD        |
| 4/8/83  | Good when seen                                                                                                                                                     | MD        |
| 5/8/83  | As candles out (supper over 20 mins) - RED NO SUPPER LICKED OUT. NOT ACCEPTED WELL AT ALL - WHY?? DOES Andrew NOT UNDERSTAND??                                     | AC        |
| 6/8/83  | Troublesome at LUNCH TABLE READING SUNDAY. WOULD NOT ACCEPT TALKING OFF - REMOVED FROM TABLE BUT RETURNED WILL ENOUGH. GOT IT REPEATED NOT 9 4 2 1 2 3 4 5 6 7 8 9 | AC        |
| 6/8/83  | Out for a visit with Mum everything went well. Watched T.V. later on in the evening.                                                                               | VT.       |
| 7/8/83  | Call Eric MD to BA on Andrew's back a cat & a dog but all its bad influence of other boys & things will calm soon. Nevertheless much better tonight                | VT        |
