Andrew lacks motivation and requires considerable encouragement, and prompting to make him work. It is said that, at times, he seems detached from what is going on and communicates very little with the others in his group. Occasionally he answers in an aggressive tone but generally his manner is polite and co-operative.

Notes for absence are produced on request. Lateness occurs about once each week.

7. Does the school intend to be represented at a Hearing, if convened?	yes	☒
