

End of Term Report

Name: Paul Hepburn

Date: 2 April 2002

Key Teacher: [REDACTED]

Subject	5-14 S-Grade Module	
English	S-Grade	A good start for Paul. He works well and has received several certificates. The group is currently working on the novel 'Buddy'.
Maths	S-Grade	Paul has made a very settled start in this subject and is working well. looking at areas of Circles at the moment
Science	S-Grade	Paul is working at Foundation / General level at Standard Grade and is currently working on the Energy topic. He is quick, and clever and is more than able to achieve a pass in this subject. He is good at both the written and the practical work and sets an example in both these elements. His behaviour is generally good and he shows respect for the school rules, staff and his peers. A very good start; keep up the good work Paul.
Computing	S-Grade	Paul is working on a Programming block at present. He completes his work with enthusiasm and is a pleasure to have in the class.
P.E	Mod	Paul has had a good start to PE here. He has worked well at football in particular despite having suffered an injured foot early on. He is always co-operative and positive in his attitude towards this subject. Well done!
H.E	Mod	After a short settling in period Paul has worked extremely well in Home Economics. He recently took part in an Easter Cake competition and came first in his group. Well done! He is working towards Access 3 Health and Food Technology: Organisation and Practical skills and will continue with this next term. He is coping well with both the practical and the written work.

Art,Craft,Design	Mod	A good start in the art class from Paul. He concentrates well on tasks that are set and tries his best on most occasions. We have been working on landscapes with watercolours and clay modelling.
P.S.E	Non Cert	Paul has been studying Drugs Education this term
R+M	Non Cert	Not seen him yet in this subject.
Learning Supp		
Modern Studies		
Project Work		
Careers/Work Exp		

Next steps in learning: To continue working towards Standard Grades and National Certificates.

Day unit behaviour: Not applicable.

Key teachers comment: Paul's behaviour and attitude have been excellent - Keep up the good work.

Moore House School - End of Term Report

Name: Paul Hepburn

Date: 17 June 2003

Key Teacher: [REDACTED]

Subject	Course	
English	S- Grade / Higher Still	Paul worked well to the end of the course, in preparation for Standard Grade. He completed all his Folio pieces on time and undertook his English exam at Foundation/General level. I have been pleased with his attitude and progress.
Maths	S- Grade / Higher Still	Paul sat his Standard Grade Maths exam in May and will probably have passed it easily. He has also completed Unit 1 Intermediate 1 Maths and successfully passed the internal assessment.
Science	S- Grade / Higher Still	Paul completed all the necessary course work and sat both the Foundation and Credit exams in May. Well done Paul.
Computing	S- Grade / Higher Still	Paul has completed his Foundation and General papers. He put in a great deal of effort in Computing until the final three months when he appeared to be influenced by other pupils and completed little work. I am sure Paul will still get a good Foundation pass but I feel he could have achieved a good General level pass if he had continued to apply himself.
P.E	S- Grade / Higher Still	Paul continues to work well in PE. He is always co-operative and positive in his attitude towards this subject. He plays football to a good standard and has represented the school in matches against other schools with enthusiasm. Well done!
H.E	S- Grade / Higher Still	Paul has been working on Access 3 Health and Food Technology- Food Preparation Techniques. He has successfully completed the course. Well done.
Art,Craft,Design	S- Grade / Higher Still	Since the last report I have not seen much of Paul, due to exam leave and work experience. When he was in class he was prepared to work and was good humoured.
P.S.E	Non cert	Paul is continuing to work through year 4 of Personal & Social development. He is currently working on a health project. Paul generally works quite well.
R+M	Non cert	Paul has not been present for this subject due to his home leave arrangements.

Learning Supp		
Modern Studies		
Project Work		
Careers/Work Exp		

Next steps in learning: To begin and progress through his catering course at West Lothian College.

Key teachers comment: School pupil of the year; a great success story. Well done Paul and good luck for the future.

Moore House School - End of Term Report

Name: Paul Hepburn

Date: 1 April 2003

Key Teacher: [REDACTED]

Subject	Course	
English	S- Grade / Higher Still	A good term for Paul. He works well and has received several certificates. He has completed all his Folio pieces. The group is currently working on past papers in preparation for Standard Grade exams at Foundation/General level. I have been pleased with his attitude and progress.
Maths	S- Grade / Higher Still	Paul has had a long settled spell in Maths and is making considerable progress at Intermediate 1 level. He has just completed the section on Area and Volume of cuboids. Including composite areas. An excellent pupil with a first class attitude. He passed his Foundation prelim easily but will not be presented for his Int 1 external examination. He will have course awards however.
Science	S- Grade / Higher Still	Paul is working at Foundation / General level at Standard Grade. He has completed the Energy section and the Materials topic. He is quick, and clever and is more than able to achieve a pass in this subject. He is good at both the written and the practical work and sets an example in both these elements. His behaviour is generally good and he shows respect for the school rules, staff and his peers.
Computing	S- Grade / Higher Still	Paul is working on his Standard Grade Folio at present. He completes his work with enthusiasm and is a pleasure to have in the class. Paul puts in a great deal of effort in Computing and continues to make excellent progress. He has started this term in a positive frame of mind but has become slightly unsettled recently.
P.E	S- Grade / Higher Still	Paul continues to work well in PE. He is always co-operative and positive in his attitude towards this subject. He plays football to a good standard and has represented the school in matches against other schools with enthusiasm. Well done!

H.E	S- Grade/ Higher Still	Paul has begun work on Access 3 Health and Food Technology- Food Preparation Techniques. He has almost completed the work for this but still has a few loose ends to tie up.
Art,Craft,Design	S- Grade/ Higher Still	Paul is a quiet worker with good concentration. He prefers doing three dimensional work, possibly due to a lack of confidence in his drawing skills. These skills can be improved in time. A pleasant member of the class. [REDACTED]
P.S.E	Non cert	Paul is continuing to work through year 4 of Personal & Social development. He is currently working on a health project. Paul generally works quite well.
R+M	Non cert	Paul has not been present for this subject due to his home leave arrangements.
Learning Supp		
Modern Studies		
Project Work		
Careers/Work Exp		

Next steps in learning:

Paul must now complete all the course work, investigations and folio pieces for the different subjects he is studying. Everyone is confident that, if he continues working in the manner he has demonstrated, he will succeed in all of the subjects.

Key teachers comment:

Paul is a very pleasant young man and gets on with everyone in the school. On the times we have gone out together I have found him courteous and respectful. Owing to his good behaviour in school he often goes on the 'outing' on a Thursday afternoon and enjoys the activities on offer. He also represents the School on the football team and does very well in this context. Overall, Paul is doing well and should make a success of his placement within MHS.

Key Teacher: [REDACTED]

Subject	Course	
English	S- Grade / Higher Still	A good term for Paul. He works well and has received several certificates. He is keeping well up to date with his Folio pieces. The group is currently working on essays for this Folio work inclusion in Standard Grade. I am pleased with his progress.
Maths	S- Grade / Higher Still	Paul has had a long settled spell in Maths and is making considerable progress at Intermediate 1 level. He has just completed the section on Area and Volume of cuboids. Including composite areas. An excellent pupil.
Science	S- Grade / Higher Still	Paul is working at Foundation / General level at Standard Grade. He has completed the Energy section and the Materials topic. He is quick, and clever and is more than able to achieve a pass in this subject. He is good at both the written and the practical work and sets an example in both these elements. His behaviour is generally good and he shows respect for the school rules, staff and his peers.
Computing	S- Grade / Higher Still	Paul is working on his Standard Grade Folio at present. He completes his work with enthusiasm and is a pleasure to have in the class. Paul puts in a great deal of effort in Computing and continues to make excellent progress. He has been slightly unsettled recently.
P.E	S- Grade / Higher Still	Paul continues to work well in PE. He is always co-operative and positive in his attitude towards this subject. He plays football to a good standard and has represented the school in matches against other schools with enthusiasm. Well done!
H.E	S- Grade / Higher Still	Paul has begun work on Access 3 Health and Food Technology- Food Preparation Techniques. He misses classes due to football and home leave, so progress has been slow but Paul should be able to complete this course. He is also able to distance himself from some disruptive elements in the class which is to his credit.

Art,Craft,Design	S- Grade / Higher Still	Due to the absence of a regular Art teacher no report is available. However pupils have been receiving instruction from Supply Art staff during the last month and all have been involved in someway in the decoration of the hall for Christmas prize giving.
P.S.E	Non cert	Paul is continuing to work through year 4 of Personal & Social development. He is currently working on Community Development and Involvement. Paul works well in this subject.
R+M	Non cert	Paul has not been present for this subject due to his home leave arrangements.

Key teachers comment:

Paul is a very pleasant young man and gets on with everyone in the school. He is well respected and liked and I should say that everyone looks forward to Paul being in their classroom. On the times we have gone out together I have found him courteous and respectful. Owing to his good behaviour in school he often goes on the Levels outings on a Thursday afternoon and enjoys the activities on offer. He also represents the School on the football team and does very well in this context.

Moore House School - Mid Term Report

Name: Paul Hepburn

Date: 14 October 2002

Key Teacher: [REDACTED]

Subject	5-14 S-Grade Module	
English	S	A good term for Paul. He works well and has received several certificates. The group is currently working on essays for Folio work inclusion in Standard Grade. I am pleased with his progress.
Maths	Int. 1	Paul has been very settled start in this subject and is working well. He is following the Intermediate 1 maths course and is currently working through Unit 1.
Science	S	Paul is working at Foundation / General level at Standard Grade. He has completed the Energy section and is currently working on the Materials topic. He is quick, and clever and is more than able to achieve a pass in this subject. He is good at both the written and the practical work and sets an example in both these elements. His behaviour is generally good and he shows respect for the school rules, staff and his peers.
Computing	S	Paul is working on the keybytes3+ program at present and has completed Units 1-5 . He completes his work with enthusiasm and is a pleasure to have in the class. Paul puts in a great deal of effort in Computing and made excellent progress.
P.E	Ac. III	Paul continues to work well in PE. He is always co-operative and positive in his attitude towards this subject. He plays football to a good standard and has represented the school in matches against other schools with distinction. Well done!
H.E	Ac. III	Paul has begun work on Access 3 Health and Food Technology- Food Preparation Techniques. He misses classes due to football and home leave, so progress has been slow but Paul should be able to complete this course .

Art,Craft,Design	A.C. III	No report available
P.S.E	MODULE	Paul has started a new course on P.S.E. this term and he is currently studying Relationships. He contributes well in group discussions and works well.
R+M	MODULE	Paul has not been present for this subject due to his home leave arrangements.

Key teachers comment:

Paul is a very likable young man and gets on with everyone in the school . Paul and I have enjoyed a few outings and he seem content with all in the school. He speaks about the time he spends in Dumfries and prior to the summer everything seemed to be fine with that aspect of his life. He did, however, seem pleased that his stay at Moore House had been extended. Since the resumption of the school term he does seem to have a harder edge to his character and takes great delight in calling me a 'wrinkly old s**t'

End of Term Report

Subject	5-14 S-Grade Module	
English	Standard Grade	A good term for Paul. He works well and has received several certificates. The group is currently working on the play 'Macbeth' for Standard Grade Folio work.
Maths	"	Paul has made a very settled start in this subject and is working well. looking at areas of Circles at the moment. He will be following the Intermediate 1 maths course in S4.
Science	"	Paul is working at Foundation / General level at Standard Grade. He has completed the Energy section and is currently working on the Materials topic. He is quick, and clever and is more than able to achieve a pass in this subject. He is good at both the written and the practical work and sets an example in both these elements. His behaviour is generally good and he shows respect for the school rules, staff and his peers.
Computing	"	Paul is working on a Programming block at present. He completes his work with enthusiasm and is a pleasure to have in the class. Paul has put in a great deal of effort in Computing and made excellent progress this term.
P.E	Access III	Paul has had a good term in PE. He is always co-operative and positive in his attitude towards this subject. He has performed to a satisfactory standard in athletics and attained a bronze medal at prize-giving. Well done!
H.E	"	Paul has worked well in Home Economics in both practical and written tasks. He has been following the Access 3 Health and Food Technology : Organisation and Practical Skills course. If he remains at the school after the summer he will begin 'Food Preparation Techniques'.

Art,Craft,Design	ACCES III	A fairly positive term for Paul within art. Paul shows a lot of interest in most topics covered. This term we have been working with chalks and pastels to create three dimensional drawings. Paul has good ability but tends to lack concentration at times.
P.S.E		Paul has been studying Drugs Education this term. He has interacted well with his peers
R+M		We covered a series of topics related to Christianity. Paul showed very little interest.
