Good Afternoon

**GDPR/THE DATA PROTECTION ACT 2018 (DATA PROTECTION LEGISLATION) – SUBJECT

Notification of Extension**

I refer to your Subject Access Request received on 22 April 2026, reference FCIR:64421, in which you requested:

Request

**All childhood care records for Mr Gary Dorricott, 18 Hawkhill Road, Old Daily, Girvan, KA26 9RD.
Client Reference: 100199
Date of Birth: 08/07/1989**

We are currently processing your request. Due to the volume and complexity of the information identified as falling within scope, we require additional time to complete our searches, review the information, and apply the necessary redactions, including those relating to third-party personal data.

In accordance with Article 12(3) of the UK General Data Protection Regulation, we are extending the time limit for responding to your request by a further two months. We will therefore provide our full response no later than 9 August 2026.

If you would be willing to narrow or clarify the scope of your request (for example, by specifying particular documents, dates, or types of information), this may enable us to respond more quickly.

Please be assured that we are actively progressing your request and will respond as soon as possible within the revised timescale.

Once your request has been completed, your information will be provided to you via a secure online portal called Objective Connect, as email is not an effective method for transferring large volumes of data.

You will receive a notification containing instructions on how to access your information once it is available.

Yours faithfully,
