Good afternoon Julie,

Thank you for your email

I can confirm I have now been able to locate this email with your extension.

With this request in particular I would be happy to receive any correspondence relating to this to my personal work email: Daniel.Asprey@mmalegal.co.uk

Apologies for this being missed, it appears that the emails coming from citizens hub don't seem to include our client's reference, DSAR reference or a full name of our client and only your own reference.

This can make it hard for the system we work on to pick up these emails and allocate them accordingly.

In future could I kindly ask that any emails regarding Data Subject Access Requests from ourselves please be responded to with our reference as well as your own. This will just hopefully stop any unnecessary chasing and smooth out the process going forward.

Please let me know if this could be considered

Kind regards,

Investigations Team
MMA Legal

Hello,

Im emailing in response to your email below. We had emailed on 16th June to extend the due date to 4th September. The email will come from Citizen Hub. Can you please check your inbox for the email. I can resend if you cant locate it.

Is there a different email address that you would prefer correspondence sent to as there has been a couple of times recently where we had emailed a response but it hadnt been picked up and I had to phone to confirm. If you could let me know.

Can you please confirm that you have received this email.

Thanks

Julie Cameron

Good Morning,

I am emailing today to request an update to our Subject Access Request for Mr Ryan Summerscales.

I write to inform you that the statutory deadline of the 4th of July has passed, and we now require an urgent response with a valid reason.

Should we not receive a response within due course this will leave us no choice but to raise this with the ICO (Information Commissioner's Office)

Should you require any further information please do not hesitate to ask.

Kind regards

Daniel
