### Why is it important to save?

Saving can be a great way to afford those treats in life and help you live comfortably in the future. It can also help you in an emergency, making sure you have money for those unexpected moments.

You can grow your savings even further by putting your money into a savings account or ISA that gives you interest.

Some people find it helpful to keep their savings separate to their current account to stop them from spending it.

You can choose to lock your money away for a fixed time with our Bonds and ISAs. Or choose an easy-access account if you need to get to your money.
