Dear Mr Sean Maguire,

Minimum Payments

If you make only the minimum payment each month, it will take you longer and cost you more to clear your balance.

Using your card for foreign transactions

If you're thinking of buying online at a non-UK website, or you're planning to use your card abroad in the future, go to www.capitalone.co.uk/foreign. You'll find helpful information, including how to compare our charges with other currency conversion options.

Now you can do more in the Capital One mobile app:

Make payments, change your Direct Debit, view your PIN, update your contact details and, if your card is lost or stolen, ask for a new one. All from our mobile app. Just search for Capital One in the App or Play Store.

Protect Your Identity

To protect yourself from Identity Theft, we suggest that you always shred statements and letters containing personal information when you have finished with them.

Thank you, Capital One
