Great news – you are currently on Smart Energy which is our Reference Cheapest Tariff for you.

If any changes we will inform you of any cost or tariff change in time.

Based on current prices and including some discounts and rebates through the 12m. This may be different to the actual charges which may be added to your account. We can't guarantee it will be the same. This is an estimate of your cost. It doesn't include any other charges. You can use this to compare your current tariff with other tariffs. To find out more about your tariff, please visit www.utilita.co.uk/tariffs or call 03300 535 669. If your tariff price, tariff or usage changes, your tariff will still change. Savings are calculated by comparing the Estimated Annual Cost above, to 12 months on our cheapest tariff for you, inclusive VAT at 5%.

More information about your tariff can be found on the next page.
