Dear Melissa,

Thank you for signing up to Vintage Cash Cow - the FREE service that helps people turn vintage items into a bit of extra money. Our customers rate us **Excellent** on TrustPilot so you know you're in safe hands with us.

Enclosed you'll find everything you need to **start selling in just 3, FREE, no obligation steps:**

1. Put your items into any old box. Peel off the postage label sticker from the bottom of this letter and stick it on the outside of your box. Drop your box off at your local Post Office for a **FREE**, tracked and insured delivery or call us for a home collection.
2. Get your **no obligation** cash offer in 7 working days.
3. **Accept** your cash offer and get paid within one working day.

Our experts will make you a good, honest, fair offer for your items. However, if you do decide not to sell - that's ok - they'll send everything back to you for **FREE**. It's a win-win, no-lose situation.

So don't delay - start turning your valuables into money today, especially when your postage label is only valid for 21 days!

All the best,

Your Vintage Cash Cow Team
