Dear MISS NICOLA MCILROY

Home Safety visit – door safety inspections

Keeping you safe in your home is a top priority.

Following new Government safety regulations, we will inspect your front door twice per year. This includes servicing your front door to make sure it is working properly.

We will also carry out any routine maintenance needed on your door while we are in your home.

You can find out more on our website:

It is important we get access to your home to carry out this vital safety work which should take about an hour.

Staff will also have photographic identification which will be shown on arrival.

If this appointment doesn't suit, please get in touch to arrange a time that suits.
