John Rough,

currently over your credit limit

to pay £17.56 now to bring your account back to your credit limit.

enough to clear your upcoming minimum payment of £53.40. So you'll need to pay another £17.56 by 03 July 2026 to ensure your minimum payment is covered in full.

Payments

Like only the minimum payment each month, it will take you longer and cost you more than the minimum payment.

Use your card for foreign transactions

Linking of buying online at a non-UK website, or you're planning to use your card abroad in the future, go to www.capitalone.co.uk/foreign. You'll find helpful information, including how to avoid foreign transaction charges with other currency conversion options.

You can do more in the Capital One mobile app:

Get instant alerts on your Direct Debit payments, view your PIN, update your contact details and, if you wish, manage your credit limit.

Your account summary

Credit limit	£950.00
Available to spend as at 07/06/26	£0.00
Previous balance	£957.30
Payments received	£52.52
New transactions	£62.78
Your new balance	£967.56

Your payment details

You are overlimit by	£17.56
This payment is due now.	
This month's minimum payment is	£53.40
It's due on	03 Jul 26
Payment due to bring your account up to date	£53.40

Your Direct Debit payment of £53.40 will be taken on or just after 30 June 26. If you make additional payments or get any refunds your Direct Debit will still be taken. But we won't take any Direct Debit payment if your balance has been cleared.

Your interest rates

This month's interest is based on the following credit card account rates.
