Dear Mr Joseph Stirling-McGurk

Please see below details of your planned appointment to see the Neurology Team.

**Date: Wednesday, 04 Nov 2026 Time: 13:30**  
**Dr Andrew Barritt**  
**Location: Neurosciences Outpatient - Level C3 Louisa Martindale Building, Royal Sussex County Hospital, Eastern Road, Brighton BN2 5BE**

If you need to rearrange this appointment, please telephone or 0300 303 8360 quoting your hospital number 4147153.

We provide a Text reminder service. If we hold your Mobile telephone number on our system, you will receive a reminder 7 days before and again 48 hours prior to your appointment.

Although you have an allocated time slot for your appointment, you may have to wait as other appointments can over run or the doctor may be called away to an emergency. Hospital staff will always try to keep you informed about any delays. You should therefore allow plenty of time for your visit, inclusive of parking and/or public transport.

You can find information about coming to hospital for your appointment including travel, parking and our facilities on our website: [www.uhsussex.nhs.uk/hospitals](http://www.uhsussex.nhs.uk/hospitals).

Please bring with you a list of any medications you currently take and your diary as it might be possible to agree a further date for treatment or appointment if needed.

Please note, NHS healthcare is not free for everyone. If you are visiting England or not living here on a lawful or settled basis, you may have to pay for your hospital treatment. Please check by visiting [www.uhsussex.nhs.uk/Overseas](http://www.uhsussex.nhs.uk/Overseas).
