Dear Miss McNairn

Dumping of items

I am contacting you regarding the items which have been left in the back garden area.

May I remind you that it is every tenant's responsibility to use the proper facilities provided for the disposal of refuse. Abandoning waste in and around your garden is inconsiderate, unsightly, attracts rats and other vermin and can encourage instances of antisocial behaviour including starting fires. It is important that all tenants co-operate in the maintenance, cleanliness, and tidiness of their garden area for yourself and your neighbours.

As your household is responsible for leaving these items, please arrange a bulk uplift as soon as possible and contact me to confirm the date that these items will be collected.

To arrange for an uplift of bulk items, please access South Lanarkshire Council's website and choose 'special bulk uplifts' and complete the online form. Please note there is a charge of £40 for uplifts. You will be required to arrange to move the items to the kerbside for collection by 7am on the morning of the collection, or you may take bulk waste to the nearest recycling and waste centre. A List of Waste and Recycling Centres enclosed including address and opening times. South Lanarkshire Council has introduced a new booking system for you to attend your local waste and recycling. This can be booked on South Lanarkshire Councils Website at www.southlanarkshire.gov.uk/book-a-slot

I can advise that as a tenant you, or anyone who lives in your household including visitors to your household, are in breach of your tenancy agreement by leaving these items. If you fail to arrange an uplift and Housing Services have to arrange for their removal you will be charged for the cost of removing and disposing of these items, which will be considerably more expensive than the cost for you as a householder to arrange an uplift.

If there is any reason you cannot comply with this request or wish to discuss this matter further, please contact me on the number above.

Yours sincerely

Carol Young
Lead Housing Officer
