Balance: £170.00

We write to inform you that DCB Legal Ltd has been instructed by UK Parking Control Limited to review the outstanding Parking Charge (PC) issued to you at the location shown above.

Our role at this stage is to:

- review the case information and evidence supplied by our client;
- assess whether the matter is suitable for litigation in Scotland; and
- provide you with a final opportunity to resolve the outstanding balance before legal escalation.

Our initial assessment confirms that the Parking Charge remains unpaid. Unless resolved, we may recommend to our client that the matter is escalated to one of our Scottish partners, who may be instructed to litigate on behalf of our Client.

If legal proceedings are raised, this could result in a decree being issued against you. A decree may affect your credit position and could lead to further enforcement action. To avoid this, you should take immediate steps to bring the balance up to date or contact us to discuss your options.

Payment:  
Options can be found overleaf.

If you dispute the charge, or wish to discuss repayment, please contact us without delay:

Yours sincerely,
